EXPERIENCE

Quora — Product Design Intern

Sept - Dec 2019 • Mountain View, CA

Designing and implementing features for Quora Spaces.

Shopify — Product Design Intern

May - Aug 2019 • Toronto, ON

Championed a large scale service design research project on the App Store team. Conducted interviews, identified a key area of focus, led a cross-team design workshop and wireframed high level flows to set the project vision.

Wish — Software Engineering Intern

May - Aug 2018 • San Francisco, CA

Proposed and implemented a feature that surfaced wish list items throughout the Android app. Built a feature that simplified login for reinstallations and increased GMV by 4.8%.

Toast — Software Engineering Intern

Jan - Apr 2018 • Boston, MA

Worked with designers to consolidate the branding and colours across the Android app. Led the development for the tipping and signature flow on the secondary display.

Nvidia — Front-End Engineering Intern

May - Aug 2017 • Santa Clara, CA

Redesigned interactions in the internal tool to improve pain points and implemented changes using Vue.js and jQuery.

PROJECTS

Toronto Cat Rescue

Currently volunteering with TCR, a Toronto based non-profit, to design a centralized system to make it easier to manage, track and find homes for ~2700 cats every year.

Fitto App

A passion project that simplifies the communication between trainers and clients when they can't train together in person.

SKILLS

Design Tools

Sketch, Figma, Abstract, Zeplin, InVision

Code

Java (Android), HTML/CSS, JavaScript, Vue.js, jQuery, Python, C/C++, Bootstrap, Git
